May 2024

Ulceby Parish Council

CHAIRMAN'S ANNUAL REPORT

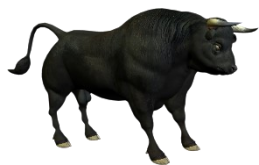

April 2023 – March 2024

Speed monitoring activities have continued throughout the year by the Road Safety Group and, on behalf of the Parish Council, they are now seeking details of a new device which focuses on a specific area of road and photographs persistent speed limit abusers. This would be a most helpful and reliable deterrent. After due consideration of residents' views, the Parish Council have resolved to accept the NLC proposal for the establishment of double yellow lines along Spruce Lane and Abbey Road, made in a response to resident's pleas for greater access in both areas. Repairs and alterations to various pavements to improve pedestrian safety and to aid disabled scooter riders, are still awaited from NLC.

In February, a Planning Application to change the use of former farm buildings at Ryehill Farm, Ulceby Road, to possible wider industrial use was rejected by the Parish Council because it was feared that such extended local use would be detrimental to our village community. A member of Greystoke Land addressed the March meeting regarding that company's proposed development of an Artificial Intelligence Data Centre to be constructed beyond the Truck Stop on Killingholme Road, which has the full support of North Lincs Council. This would be the first development of its kind in England and would provide work for 3000 persons during the construction stage and then offer approximately 370 well-paid permanent jobs

BLACK BULL INN

Chairman's Report Continued from page 1

when complete. The site would provide a biodiversity net gain, and waste heat from the same would support on-site greenhouses and possibly add to heating Immingham Swimming Pool. When the full application is submitted later in the year, the Greystoke representative will return to respond to further questioning.

With (hopefully!) the improved weather, the development of land behind Station Road will be more actively pursued by the 4 Councillors who wish to become involved, meeting with a local Landscape Gardener to examine alternatives.

The members of the Parish Council are from a good cross-section of our community. They are a very caring group of people with a common aim - the safety, well-being and continued improvement of village life for all residents, and I commend these good folk to you.

PARKING ON THE HIGHWAY

Tips on safe Parking

Remember...

The highway is for the free flow and passage
of moving vehicles.

If you park on the road:

Do it correctly, with all wheels on the
roadway;

Do not inconvenience other road and
footway users.

If you have a driveway, please use it

Correctly parked vehicles on the highway
can help to reduce other vehicles' speed.

Humberside Police can prosecute
for dangerous or unnecessary
obstruction -
BE WARNED!

Some people are parking vehicles on the
road, preventing residents getting in
and out of their drives and also causing
inconvenience to other road users.

To make sure you don't cause
problems:

Do not park:

on a footway or verge
where the kerb has been lowered
within 10 metres of a junction
where it will obstruct other road users
at night: facing oncoming traffic
without lights on roads where the
speed limit is more than 30mph
without lights if your vehicle weighs
more than 1,525kg unladen (ie
30cwt approx)

PLEASE CLEAN UP AFTER YOUR DOG

MAKE ULCEBY A MORE PLEASANT PLACE TO LIVE IN

If you fail to clean up after your dog you can be issued with a Fixed Penalty
Notice, or if the case goes to court, a fine of up to £1,000. Being unaware
that the dog has fouled, or not having a suitable means of removing the
faeces is not a reasonable excuse for failing to clean up after your dog.
Make sure you pick it up and put it in a bin, or take it home with you.

Dog faeces are:-

1. Dangerous because they are a slipping hazard to people using the
footpath.
2. Unpleasantly Smelly and a Health Hazard, when picked up on shoes or
the wheels of pushchairs and wheelchairs and trampled into the carpets
of innocent people's homes.
3. Dangerous because they may contain the eggs of a parasite (the
roundworm toxocara canis) that can cause blindness and other health
problems, especially in young children.

The eggs may be ingested when passed to the mouth by the hands -
this can occur not only through contact with dogs but also other
inanimate objects including the wheels of toys and the soles of shoes or
contaminated soil or carpets.

If you see any offenders – please report them

ULCEBY VILLAGE HALL

Since the last update, we have held a Paul Humphries Psychic Night and an auction, both of which were a success and enjoyed by all who attended, as well as raising valuable funds for the upkeep of the Village Hall. We would like to thank everyone who donated items for selling in the auction, those who came and bought the items, and all the helpers.

FORTHCOMING EVENTS AT THE HALL - 2024

Further details of these will be given in the next issue of the Link

Chris Good - comedy hypnotist - Friday 6th September

Medium Joe Psychic Night - Friday 25th October

Christmas Fair - Friday 22nd November

Over 60s' Christmas Party - Friday 6th December

Children's Christmas Party - Sunday 15th December

Ulceby Village Association

Supporting Your Village Hall

There are a number of ways that you can help to support these facilities, and keep them in a good condition for everyone to use

- If you see an act of vandalism – please report it to the police
- If you walk your dog on the playing field – please clean up after it
- Join the Committee (a monthly meeting and helping at occasional events)
- Book the hall for your children's party or other event - 07435 587394
- Join the 200 Club (see our website, email ulcebyvillagehall@gmail.com, or contact Shirley on 01469 588671)

ULCEBY POND

The pond has over wintered well, the grounds around it look good and green life is coming through. The fish are fit and showing themselves, especially in the early morning sunshine.

The fishing club for our juniors is late due to the cold wet Spring and we will be starting as this article goes to print on the 20th April.

After another successful bid to the Angling Trust and new rods purchased, we hope to deliver new methods of fishing for the young people of Ulceby. I have been busy repairing fishing rigs and re-elasticating poles for the new campaign. I have also entered us into the Club Championships and hope few more children can attend this year.

Now a request or two. Firstly my sons and I have repaired and kept areas open to fish but two of the stations need a new post, please be careful.

The second is that the weed is left alone - it contains food, fish eggs and provides oxygen - it is the lifeline of the water itself. Sadly last year this was dragged out in some spots, with good intentions, and the wildlife suffered. I have heard many stories in that it is poisonous, burns when touched and suffocates the fish. I know of none of this to be true.

Enjoy, and like always say hello if I am down at the pond enjoying the flora and fauna

Shaun

ST NICHOLAS CHURCH

Thank you to everyone who supported our book sale and jumble sale either with donations or purchases. We had some fantastic donations and everyone who came went away with some great bargains! All the items left from the jumble sale were donated to Built for Living. These two events have raised over £300 towards keeping our church open.

Our current pattern of services is:

First Sunday - Evening Prayer at 6pm

Second Sunday - Morning Prayer at 10.45am

Third Sunday - Songs of Praise Coffee Morning at 10.45am

Fourth Sunday - Holy Communion at 10.45am

When there is a 5th Sunday we will join our friends at one of the other churches in the benefice. The church is also open daily for private prayer, or just to enjoy a bit of peace, usually during school hours.

The Songs of Praise Coffee Morning is an informal gathering where we get together over coffee and cake/biscuits and sing a few favourite hymns. If you haven't been to church for a while, or maybe if you've never been before, this is the perfect meeting to come and get to know a few people. Hymn requests are encouraged!

If you wish to arrange a wedding, funeral or baptism please contact Rev Mark Hutson (Mark.Hutson@lincoln.anglican.org / 07745369630).

We desperately need more people to help with keeping the church clean. If you can spare an hour a week, or even once a month to do a bit of sweeping and dusting we would love to hear from you.

We are hoping that work will commence on the church tower in the next few weeks, and we would like to publicly thank our funders. We have received grants from The Marshall's Charity, The Benefact Trust, The Garfield Weston Foundation, The National Churches Trust, The Wolfson Foundation, The Headly Trust and The Lincolnshire Churches Trust, in addition to funds raised from our events.

The Knit and Natter group continue to meet in church every Wednesday at 2pm. This isn't just for knitting - you can do any sort of craft, or just come and chat!

Flooding guidance

Flood water from highways, run off from fields or issues with land drainage: Contact your local council – you can find their contact details. Most flooding caused by rainwater will subside once the rain stops. If it's causing a danger to life call 101 or 999.

Clearing up debris left over from the flooding: Speak to your local council to get help to clean up silt and mud left behind by receding rain or flood water. If there's been any flooding from our sewers we'll be out as soon as we can to clear up but only once we've helped customers who have flooding inside their homes or problems with their water supply. Thanks for bearing with us.

A new water or sewerage issue: The quickest way to tell us about a problem is to do it online <https://www.anglianwater.co.uk/your-local-area/report-an-issue/> - online issues are dealt with exactly the same as raising a problem over the phone.

If you're having trouble flushing your toilet after a lot of heavy rain, it's likely that our sewer network is full of rain and groundwater and things won't get any better until that excess water has a chance to flow away. We know it's not nice but try not to flush as much as you can until we can get out to you. If heavy rainfall has caused problems across the area we might be having to prioritise customers whose homes are flooding internally or who have no water coming from their taps, and might not be able to get out to you as quickly as you'd like.

An existing water or sewerage issue: Use the link we sent you when you raised your issue to tell us more about it or tell us you no longer need us to visit. You can also call us on 03457 145 145 but we are having to prioritise issues, so please bear with us - we will get to you as soon as we can. Thanks for your patience.

For more information, visit <https://www.anglianwater.co.uk/help-and-advice/flooding-guidance>

ST NICHOLAS CHURCH Cont'd from page 7

The heritage group meet on Saturday mornings and are busy researching their second book on the history of the church and village.

Flower arranging also takes place on a Saturday morning and we would love more people to get involved with this.

The book/jigsaw/DVD bring and buy shop is open every day - we have a wide selection to choose from.

There are also some special events coming up:

Fri 10th May - Concert with singer Christie Clifford 7pm. Tickets are £5 in advance or £7 on the door and are on sale now. Christie sings a selection of ballads, country, songs from the shows, etc. and she has a beautiful voice - you won't be disappointed! There will be a raffle and refreshments as usual.

Sat 13th July - Summer Fayre 1-4pm

If you are interested in having a stall at the summer fayre, please let us know. So far we have books, bric a brac, plants, sweets, gifts, cakes, preserves, tombola and raffle. If you can make a cake for the cake stall/ refreshments or donate a prize please let me know (Liz Drury 07539755531). We also need willing volunteers to help out on the day.

We are considering a Christmas Tree festival this year. If your business or community group would be interested in displaying a tree in church in the run up to Christmas please let us know - at this stage we are trying to work out if it will be worthwhile. There would be a fee to enter your tree and then everyone would be encouraged to vote for their favourite with a prize for the winner.

As not everyone carries cash these days we have a new way for you to donate money to the church. We have our own QR code which you can scan and instantly donate. Why not give it a try!

Blessings,

St Nicholas' Church

Ulceby WI May Update

Our pebble painting session in February attracted several visitors and everyone left as proud owners of a personal creation.

In March we learned about the benefits to mental health of bird watching with Tim Smith. We were then teased with a game of "Bird Song Bingo" which was great fun. This was followed by our AGM, during which Sue Thwaites was re-elected as President.

Our April session was an Open Meeting as we were told all about the ecology and management of the seal colony at Donna Nook.. It was well presented by Matt Blissett and we learned lots.

On May 16 we are welcoming the return of Barbara from The Ark Rescue Centre, to give us an overview and update on all that goes on there. This is also open to all members of the public.

We have moved our "summer meal" to the June meeting, in the hope that it will be warmer and drier than last year's in August!

In July we welcome the return of Keith Hanson a retired Yeoman, to tell us more tales from his 20 years working at the Tower. This time his topics are the Crown Jewels and the Ghosts of the Tower. This is also an Open meeting.

In August we have Kevin Pearson talking to us about his work for the Blood Bike Service. This is an Open meeting as we think this may interest many people, including one or two bikers who might be interested in learning more - or even becoming involved.

We have made several of our upcoming meetings Open meetings in the hope we can interest more residents of the village. We would be grateful if you could let a member of the WI know if you plan to join, then we can make sure we won't run out of cakes!

Posters are usually distributed on social media a week or so before the event, in the Co-op and outside the village hall.

We are planning to have two stalls at St. Nicholas' Church Fayre this year. We will have the usual raffles, colouring activities, plants and flower arrangements for sale and also lots of information and friendly members to chat to about our local WI. Please come along and say hello.

We look forward to welcoming new people to one of our upcoming events. If you would like any further information about the WI, please contact our Secretary Lyn Brister on bristerl627@gmail.com
