

2024/5 – 11

A meeting of Ulceby Parish Council was held on Monday 15th July 2024 at 7.00pm in the village hall.

PRESENT : Chairman: Cllr D Macefield
Cllr S Hulatt, Cllr C Smith, Cllr D Johnson, Cllr C Rowland Cllr A Caygill-Ogden, Cllr M Berney.

IN ATTENDANCE: Cllr R Hannigan, Mrs K Pickering (Clerk), 3 members of the public.

PUBLIC FORUM

A member of the public attended the meeting to query why it was not possible to place a memorial plaque on the bench at West End road. The Chairman advised that this matter had been discussed by the parish council and that they felt that a plaque could only be placed on a bench if a bench had been specifically purchased and sited in the village in memory of a person. The chairman advised that the parish council was very happy for a tree to be planted within the new community garden – within the ‘memorial’ area of this garden and a plaque placed on the tree. The member of the public advised that this was not what she wanted – the bench at West End was significant to the family and this would be where they wanted a plaque positioning. The chairman advised that the decision had been made by the parish council and that the council would not be able to help further in this matter.

7. Police Matters :

a) Community Speed Watch – The community speed watch team are still active in the village. A new coordinator has been appointed by N.L.C and hopefully he/she will be available to support the community speed watch teams in the future. The highest speed recorded on Spruce Lane this month is 90mph and the highest on Brocklesby Road 111mph. Discussions are taking place about a possible ‘build out’ on Brocklesby Road (as a traffic calming measure) but this will need thoroughly investigating by N.L.C due to the large agricultural machinery that uses this road. Cllr Hannigan advised that he is liaising with the Police and Crime Commissioner to pursue the funding of average speed camera’s for the village. It was noted that two camera’s have been fixed to a lamp post along Station Road, the meeting was unsure what these camera’s are for. The Chairman asked for an update on the extension of the double yellow lines along Spruce Lane and Abbey road – there have been objections raised through the consultation process and therefore this matter will be decided by N.L.C in due course.

b) NATS meeting –The next NATS meeting is scheduled for 22/7/24.

8. North Lincolnshire Council Matters:

a) Reports from N.L.C representatives: No report to receive.

- b) Dual purpose bin – Coxes Meadow vicinity – N.L.C will not put further litter bins in the village.
- c) New village matters: The next link magazine is scheduled for the end of July. The overgrown hedge – opposite the old post office (at the end of the layby) is causing concern as it is very much growing out into the road – it will be investigated to whom this hedge belongs and ask that it be cut back as soon as possible.
A hedge on Abbey Road is also encroaching the footpath – clerk to ask for this to be cut back.
