CHAIRMAN'S REPORT

August - October 2024

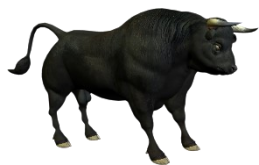

As the seasons change, there is always something to take in when out and about. The banks of the Humber estuary are a welcome stop off point for thousands of migratory birds as they fly on the long journey from the Arctic to Africa for the Winter, and evenings have seen huge flocks of geese flying in their V formation to conserve energy and deter predators from their safety in numbers. Whilst we see them only during daylight hours, most of their flying is done at night since the air is more stable and there is less turbulence caused by thermals. I never cease to marvel at their flying skills and honking calls, encouraging each other, whilst their instinctive ability to navigate remains a scientific mystery.

Another effect of the changing seasons has been the extremely heavy rainfall at times recently. Those of us who have lived in the village for some years will recall that this has caused severe flooding problems in parts of the village at times in the past, most notably in the Coronation Road area. So far as I have been able to see, the remedial works that were completed then have been successful and there have been no repeat events since.

The village performed very well in the North Lincolnshire Council's Best Kept Village competition. Ulceby won the community planting category, thanks to the flower beds and planters throughout the

Chairman's Report Continued from page 1

village, and special mention was given to the recently refurbished war memorial, residential gardens and tidiness in the village. Thank you to all those who have contributed their time to making the village an attractive place to live, as well as the many dedicated gardeners.

Although the development was not in the village itself, both Ulceby Parish Council and the Road Safety Group had raised concerns about the creation of a major truck service station at Barnetby Top, and its potential effect on the people of the village. The proposed development had space for 200 goods vehicles and two drive-through restaurants, but plans were rejected by North Lincolnshire Council for reasons of road safety and drainage.

There was a public consultation evening at the Village Hall on Tuesday 8 October, to share plans and ideas for the community garden area at Station Road/Martins Road field. The proposed plan includes a community orchard, a nuttery, a hazel coppice, a wild flower meadow and space for allotments (if there is a demand). I hope that we will see some volunteers to help make the project a reality, and a valued space for the people of the village to use. (See also page 25)

PLEASE CLEAN UP AFTER YOUR DOG MAKE ULCEBY A MORE PLEASANT PLACE TO LIVE IN

Dog mess is the most unacceptable and offensive type of litter on our streets.

Dog fouling is not only deeply unpleasant, it is dangerous. Whilst rare, contact with dog excrement can cause toxocariasis – a nasty infection that can lead to dizziness, nausea, asthma and even blindness or seizures.

It's no wonder dog fouling is such a problem – there are estimated to be more than 8 million dogs producing more than 1,000 tonnes of mess every day in the UK alone.

While most dog owners are caring, responsible individuals, there are still some people who do not clean up after their pets.

Anyone who fails to clear up after their dog can be issued with a Fixed Penalty Notice of up to £100. If the case goes to court this could cost the owner or person in charge of the animal up to £1,000. The law states that being unaware a dog has fouled or not having a suitable bag is not a reasonable excuse for failing to clean up after your dog. Make sure you pick it up and put it in a bin, or take it home with you. Any public bin can take the waste. There is no excuse to leave it.

If you see any offenders – please report them

ULCEBY VILLAGE HALL

The recent psychic night with Medium Joe was well attended, and we would like to thank everyone for coming. We took a staggering £850 on the night for the village hall funds. This is much needed to help pay for necessary repairs to the play area safety surfacing. These repairs will be carried out over the winter months, and access to the play area may be restricted at times.

ST NICHOLAS CHURCH

You will have noticed that the church tower is still encased in scaffolding, but this will be removed soon as the stonemasons have now finished their work. However, there is still work to do if we want to hear our bells again. Although the tower is now structurally sound, the floor of the ringing chamber needs to be strengthened, so the fund raising continues.

With this in mind please consider taking part in our 'Tower of Change'. There is a box at the back of church, and a basket at the Post Office containing jars that can be filled with your loose change. If you'd like to help, please come and collect a jar (church is usually open from around 9am to 3pm) or just use a jar you have at home. When it's full please either bring it back to church or leave it at the Post Office. Every little helps! Thank you to everyone who has done this so far - it's surprising how your pennies are adding up!

Our book sale continues throughout the year and new books are appearing all the time, so do come and have a browse. There are also DVDs, CDs and jigsaws so come and take a look.

Don't forget you can now pay for your purchases by card. The 'Collectin' is on the left near the first pillar as you come into church and you just need to touch the screen to wake it up. There are suggested amounts on the screen, or a button for you to customise the amount.

If you're having a clear out, please consider donating any books to us. We are also collecting good quality household items and toys for our next bric-a-brac stall.

We will be having a stall at the village hall Christmas Fayre on Friday 22nd November. We will be selling jams and chutneys, knitted items and other crafts, and we have a name card to win a hamper which includes a bottle of Christmas gin, so do pay us a visit!

Some ideas we have for next year include a Teddy Bear's Picnic, Treasure Hunt, Craft Show, and Scarecrow Trail. We need to know if there is interest in these – please contact Liz Drury liz@lizdrury.co.uk, or leave a message on our Facebook page.

ST NICHOLAS CHURCH Cont'd from page 7

Look out for the church Christmas card coming through your door in November. This will have details of our Christmas services and will also contain an envelope for you to make a donation for gift day (6th Dec - St Nicholas' Day). Envelopes can be returned to the church or the post office, or brought to our stall at the Christmas fayre. Our traditional **Christingle Service** will be at 4pm on Sunday 8th December. All the children at the school and pre-school will receive a cardboard candle to fill with change that they can bring to the service and swap for a Christingle. You don't need a child to come to the service though - all are welcome! (And it's my favourite service of the year).

The **Carol Service** will be held at 6pm on Sunday December 15th, followed by mince pies and mulled wine. Do come and join us for a good sing to get into the Christmas spirit.

There have been some changes to our pattern of services recently as we are now designated a Celebration/Festival Church. This means that we will have fewer Communion services led by ordained clergy BUT WE ARE NOT CLOSING! We will still have regular services led by Lay Readers and Ministers:

First Sunday – Evening Prayer 6pm

Second Sunday – Morning Prayer/All Age Worship 10.45am

Third and Fourth Sundays – Coffee morning with songs of praise 10.45am (come and request your favourite hymn).

Our next Communion Service will be Sunday 22nd December at 10.45am

Blessings,

St Nicholas' Church

November update from Ulceby WI

We enjoyed our talk by Kevin from the Blood Bikes Service and the occasional phone calls he received highlighted just how busy the riders are when they are on call.

Liz Drury entertained us with a summary of how her job as a voice over speaker evolved in September.

Our October speaker was Sally from Pink Pig Farm. She explained how the farm evolved and how it has had to diversify over the years. They no longer have a farm shop, so sadly there were no samples to try, but they have expanded their activities and now have a Wedding Barn.

Keeping with the food theme ... we held a joint MacMillan Coffee Morning on the 20th October with the Village Hall. We were provided with a wide collection of cakes and buns which were enjoyed by a steady stream of visitors over the morning. At the first count we raised almost £355 - so a big thank you to all who visited and donated money or spent money on the tombola and those who donated cakes.

The WI also had a "pre loved" jewellery stall. This was to raise money for the local WI federation charity - which is the Blue Dragon Charity in Vietnam. The charity rescues children from slavery, exploitation and trafficking and works with them through school and early working years until they are established adults. Jonathan Van Tam (who we all saw on Covid updates) is from Lincolnshire and is part Vietnamese. He supports the work of this charity and is due to speak at a federation meeting next year and asked that individual WIs found ways to raise money towards his charity rather than him take a fee. So we will be holding jewellery stalls at the Christmas Fair in November to raise more money towards this worthy cause.

Still on a food theme We welcome Alan from The Chocolate Drop on 21st November. He runs a small chocolate company in Market Rasen producing lots of different flavoured bars of chocolate. The wide range of flavours include coconut, cherry, Moroccan spice, rhubarb and lemon. He gives an interesting talk on the process of making chocolate - interspersed with lots of tastings. There will be plenty of chocolate to buy on the night and we can also take orders. **THIS IS AN OPEN MEETING, ANYONE CAN ATTEND** so bring your cash and

Hi, I'm Matthew the Audiologist and owner of Scunthorpe Hearing Centre.

I have been managing the bloom hearing centre on Laneham Street for the last 15 years, however when the company was purchased in 2023 many sites including the Scunthorpe were earmarked for closure.

There has been a Hearing Centre on Laneham Street since 1969, and not wanting to let my existing and potentially new clients down without a place to go for Quality Hearing Aids and Wax Removal, I have taken the plunge and set up as an independent.

When I'm not helping people to hear better, I've also been an active call out member of Holme Valley Mountain Rescue Team for the last 14 years, a Husband, a Father of two boys and a cycling coach.

INSPIRING WOMEN

ULCEBY POND

Autumn is truly amongst us. A magical time to sit and watch the world through the eyes of Mother Nature. At the pond we can observe the leaves turning colour, the water cooling and the sky doing mysterious things. With a lack of light pollution it is a superb spot to see the Northern lights, comets and wonderful cloud formations of late. The weather is being kind too with a little extra water in the pond.

Our junior angling members are still enjoying the odd sessions, none are planned but individuals have requested support. Perhaps knowing I do not like saying 'no' is a reason for the request. One lady stood with her grandson in the rain last weekend, whilst we taught him a few basics. This made our numbers go up to 57 children this year. An unbelievable number for such a small oasis. All it needs is parental permission and we do the rest. My calculations tell me that we have also used nearly 40 pints of maggots (5 gallons) through the year all kindly donated by Immingham Angling Centre. We are in gratitude of Graham's support.

Now a plea - as anglers we are the eyes of our waterways. However, anybody can do this. One of the fishing stations was broken, pulled out and then thrown back into the pond. I have to ask why, but I feel I wouldn't like the response. It seems so pointless to me. I have very limited equipment to sort issues, in fact my greatest attribute is enthusiasm without know how.

My contact for fishing or offers of help is bshaun67@gmail.com. Please get in touch if I can help you, or you can help us.

Finally, the ladies on the Village Hall committee do a fantastic job, therefore I am sure you will share with me our gratitude in all that they do. The pond, playing field, park and the hall itself wouldn't be the same without them.

Thank you ladies. Shaun

BEST KEPT VILLAGE COMPETITION 2024

The parish council is delighted to advise that Ulceby has been successful in this year's 'Best Kept Village' competition. This competition was judged in August of this year and the prizes were presented at the Best Kept Village awards ceremony held on Monday 14th October in Broughton Village Hall. Ulceby was placed third overall in the Medium Village group. This section of the competition is judged on general tidiness and appearance – including absence of litter, community features including village halls, parks, war memorials, notice boards, shops and signposts and also gardens and community areas. To achieve third place in this category is a real success as Ulceby is competing against some established and very pretty villages.

The big success of the year however was being presented with 1st Place in the best community planting in the medium village group. This really is a fantastic achievement and so lovely that our community planting throughout the village has been recognised and rewarded. The parish council extends its sincere gratitude to our wonderful contractors Jon and Alison Nettleton of Nettleton mowing who are so professional and diligent in their work. The village really has looked beautiful this year and it is lovely that this hard work has been recognised. The parish council would also like to thank all residents who endeavour to keep the village looking a tidy as possible – all those who litter pick, try to keep community areas free of litter and weeds and just keeping your own front gardens looking well kept all year. Thank you very much – let's hope we can repeat the success next year.

ULCEBY ROAD SAFETY GROUP / COMMUNITY SPEEDWATCH

The Ulceby Road Safety group are constantly working in the back ground to try to make Ulceby roads safe for the residents. They have worked with Highways England to ensure that the roadworks currently being conducted on the A180 did not result in the diversionary route directing traffic through the village except in an emergency, and the majority of HGVs seem to be adhering to this diversion. The Community Speedwatch is still operating to remind drivers to obey the speed limits. New volunteers are needed for this - if you would like to volunteer and join this group, please contact the Clerk (as above)
